# Building Resilient Semiconductor Supply Chains The New India Opportunity

**11:30 AM (IST)**  
**8<sup>th</sup> February, 2023**  
**(Series 1)**

**9:30 PM (IST)**  
**16<sup>th</sup> February, 2023**  
**(Series 2)**

The webinar will feature presentations by senior government officials and industry experts on the opportunities in the semiconductor industry, ecosystem enablers, incentives and infrastructure in India.

We look forward to your participation.

## Series 1

8<sup>th</sup> February, 2023

(11:30 AM IST, 2:00 PM Taiwan Time, 3:00 PM KST,  
3:00 PM JST)

## Agenda

- |          |   |
|----------|---|
| 11:30 AM | <b>Welcome Remarks</b><br>Mr. Neil Shah, <i>Partner &amp; Vice President of Research, Counterpoint Research</i>   |
| 11:35 AM | <b>Presentation 1: India's role in Building Resilience in Global Semiconductor Supply Chains</b><br>Shri Amitesh Kumar Sinha<br><i>CEO-ISM &amp; Joint Secretary, MeitY</i> |
| 11:45 AM | <b>Presentation 2: Semiconductor Opportunities and Key Growth Areas of India</b><br>Mr. Tarun Pathak<br><i>Research Director, Counterpoint Research</i>                     |
| 11:55 AM | <b>Success Story in India for Semiconductors</b><br>Mr. Manish Hooda, <i>Head - Technology Development, Semiconductor Laboratory (SCL)</i>                                  |
| 12:00 PM | <b>Q&amp;A Session</b><br><i>Invest India, India Semiconductor Mission &amp; Counterpoint Research</i>  |
| 12:10 PM | <b>Closing Remarks &amp; Vote of Thanks</b><br>Mr. Rohan Thomas Abraham<br><i>Lead - ESDM, Invest India</i>   |

## Series 2

16<sup>th</sup> February, 2023

(9:30 PM IST, 8:00 AM US PST, 4:00 PM GMT,  
5:00 PM CEST)

## Agenda

9:30 PM

### Welcome Remarks

Mr. Peter Richardson, *Vice President, Partner & Research Director, Counterpoint Research*

9:35 PM

### Presentation 1: India's role in Building Resilience in Global Semiconductor Supply Chains

Shri Amitesh Kumar Sinha  
*CEO-ISM & Joint Secretary, MeitY*

9:45 PM

### Presentation 2: Semiconductor Opportunities and Key Growth Areas of India

Mr. Neil Shah, *Partner & Vice President of Research, Counterpoint Research*

9:55 PM

### Success Story in India for Semiconductors

Mr. Manish Hooda, *Head - Technology Development, Semiconductor Laboratory (SCL)*

10:00 PM

### Q&A Session

*Invest India, India Semiconductor Mission & Counterpoint Research*

10:10 PM

### Closing Remarks & Vote of Thanks

Mr. Rohan Thomas Abraham  
*Lead - ESDM, Invest India*
